X-X-X-X

ORDER:

In the reference first read above, the Secretary, Sri Satya Sai Central Trust, Prasanthi Nilayam, Ananthapur District has stated that the Trust proposes to take up Safe Drinking Water Supply Schemes in 118 habitations of Ananthapur District in Puttaparthi, Kothacheruvu & Bukkapatnam Mandals.

2. The Government after careful consideration of the issue have decided to accept the offer of Sri Satya Sai Central Trust for providing Safe Drinking Water in 118 habitations of Ananthapur District.
3. Accordingly, Government hereby orders to provide Safe Drinking Water facilities to 118 habitations covering designed population of 2.57 lakhs in Ananthapur District.
4. The Engineer-in-Chief, RWS&S, Hyderabad will provide all technical assistance in this regard to formulation and execution of the Schemes.
5. The District Collector, Ananthapur will Head the Committee constituted at the District level with Superintending Engineer, RWS, concerned as Member Convener of the Committee to provide support and assistance required by the Trust or its executing agency. The Collector may also co-opt other members of the Committee.
6. The District Collector, Ananthapur and Superintending Engineer (RWS), concerned shall handover the site to the executing agency of the Trust for implementing the Project immediately after the DPRs are formulated and approved. In areas where land is to be acquired, a formal requisition has to be made by the Superintending Engineer (RWS) concerned to the concerned District Collector for acquisition of the lands and such charges towards compensation will be borne by the RWS Department. The Superintending Engineers (RWS) concerned is directed to see that the alignment of the pipelines has to be along the pathways/roads as far as practicable so that acquisition of land is avoided for this purpose. The expenditure for the deposit for provision of Electricity and charges for consumption of power till they are commissioned and handed over to the Government will be borne by Government.

7. The Government has agreed and permit drawal of additional water up to 0.164 TMC from Chitravathi Balancing Reservoir of Ananthapur District.
8. The Government also agrees to reimburse sales tax/ VAT and turn over tax in full on all the materials such as Cement, Steel, Pipes, Specials, Pumps and Motors and other equipment and accessories for Civil. Electrical and Mechanical works required for implementation of the Safe Drinking Water Supply Project in Ananthapur District which is taken up by Sri Satya Sai Central Trust or its Executing Agency.
9. The Government also agrees to reimburse seignior age charges on materials such as metal, sand, rough stone etc., used in the works.
10. The comprehensive scheme after completion will be taken over by the Government PR Department for its maintenance. The individual schemes will be handed over to the Gram Panchayats concerned by the Collector concerned after completion for the maintenance.
11. The Panchayat Raj Institutions concerned are directed to deploy the additional staff required if any and submit proposals for maintenance of the schemes after completion of the Project.
12. The Trust will submit through Engineer-in-Chief, RWS&S, Hyderabad proposals for reimbursements for items in para 6,8 and 9 above once the details of Scheme are worked out. The Government accepts in principle to reimburse these amounts.
13. This order issues with the concurrence of Finance (Expr.PR & RD) Department vide their U.O. Note No. 3291/258/Expr.PR/2012, Dt. 24-4-2012.
14. This order is available on the internet and can be accessed at the address <http://www.a.p.gov.in/goir>.
